ECM Evaluation Document
Interprofessional Education

In December of 2009, you attended a "Health Professions Fair" to learn more about the disciplines with which you, as a physician, will interact on a regular basis. Please think back about that activity, and give us some feedback by answering the following questions.

Thank you for your participation.

Group color _____

Health Professions Fair
Of the seven discipline stations you visited [list is at the bottom of this page]….
    Which discipline did you find most **relevant** to you as a medical student? _____
    Which discipline provided you with the most **new information**?_____
    Which discipline would you like to **know more about**?_____
    With which discipline do you now **feel more comfortable** now than you did before the session?_____
    Which discipline do you **appreciate more** now than you did before the session?_____

Would you be interested in taking a workshop or class with students in other health professions?
Yes   No [circle one answer]
    Why or why not?
    _____
    _____

In what ways did the session today change your **attitudes** about any other health professions?
    _____
    _____

Please use the 1-4 scale to comment on these items, where 1=strongly disagree, 4=strongly agree [circle answer]

	1	2	3	4
I need to learn more about other health professions	1	2	3	4
