Evaluation: FSUCOM Clerkship Assessment of Student '05

Subject: Student

Course: Pediatrics Clerkship (SAR)

Due: 5/19/2006

Available: 5/2/2006

Description: The following form may be used for purposes of research. Completing and submitting this form constitutes your consent to have it included in research projects. If you do not want your evaluation used for the purpose of research, please contact Dr. David Steele at 850-644-9649.

In addition, if you have any questions about your rights as a subject/participant in this research, or if you feel you have been placed at risk, you can contact the Chair of the Human Subjects Committee, Institutional Review Board, through the Vice president for the Office of Research at 850-644-8633.

Instructions: Please complete this form at the end of each rotation for each student supervised. You are expected to share your evaluation with the student directly in a face-to-face meeting.

Your narrative comments are particularly important and may be used in the Dean's Letter as part of the student's residency application.

Please evaluate the student's performance for each component of clinical competence. Click the button which best describes the student's skills and abilities. Any rating of "Rarely" or "Almost all of the time" requires a written comment.

* indicates a response is required

* 1. Please indicate your specialty in this rotation.

Fund of Knowledge: This student

* 2. Exhibits basic knowledge of pathophysiology, disease mechanisms, diagnosis, and treatment.

* 3. Seeks and employs evidenced based knowledge in the care of patients.
