Evaluation: GER Clerkship Faculty Evaluation/MedEd IQ

Subject: Clerkship Faculty

Course: Geriatrics Clerkship (TLH) M4

Due: 3/24/2006

Available: 3/22/2006

Description: The primary purpose of this evaluation is to assess the quality of your experience and it may possibly be used for research. No identifiers that connect you to this evaluation form will be used for the purpose of research. By handing in this form, you will be consenting to let these evaluations be used for the purpose of research. If you do not want your evaluation used for the purpose of research, please contact Dr. David Steele 644-9649, or Dr. John Tomkowiak 644-8900.

In addition, if you have any questions about your rights as a subject/participant in any research, or if you feel you have been placed at risk, you can contact the Chair of the Human Subjects Committee, Institutional Review Board, through the Vice president for the Office of Research at 850-644-8633

Instructions: Please complete all questions as accurately and thoughtfully as possible.

After your grade for this clerkship has been submitted by the Education Director, the results of the MedEd IQ will be made available to your clerkship faculty member. This feedback is important as it lets the faculty member know what she/he is doing well and where she/he can improve.
