Evaluation: Clerkship Faculty Evaluation: MedEd IQ

Subject: Clerkship Faculty

Course: Internal Medicine Clerkship (TLH)

Due: 5/19/2006

Available: 5/10/2006

Description: The following form may be used for purposes of research. Completing and submitting this form constitutes your consent to have it included in research projects. If you do not want your evaluation used for the purpose of research, please contact Dr. David Steele at 850-644-9649.

In addition, if you have any questions about your rights as a subject/participant in this research, or if you feel you have been placed at risk, you can contact the Chair of the Human Subjects Committee, Institutional Review Board, through the Vice president for the Office of Research at 850-644-8633.

Instructions: Please complete all questions as accurately and thoughtfully as possible.

After your grade for this clerkship has been submitted by the Education Director, the results of the MedEd IQ will be made available to your clerkship faculty member. This feedback is important as it lets the faculty member know what she/he is doing well and where she/he can improve.

* indicates a response is required

Clinical

Throughout this clerkship:

* 1. I increased my independence in caring for patients.
