

## CURRICULUM VITAE

### **Kathryn M. Rost**

Department of Medical Humanities and Social Sciences  
Florida State University  
1115 West Call Street  
Tallahassee FL 32306  
(850) 645-7367

#### **EDUCATION:**

- Ph.D. The Johns Hopkins University, School of Hygiene and Public Health, Department of Behavioral Sciences, 1985.
- M.S.W. Washington University, George Warren Brown School of Social Work, 1980.
- B.S.N. St. Louis University, School of Nursing, 1976.
- B.A. University of Kansas, Psychology, 1973.

#### **PROFESSIONAL POSITIONS:**

Elizabeth Freed Chair and Professor with Tenure, Florida State University, Department of Medical Humanities and Social Sciences, September 2006 – present.

Professor with Tenure, University of Colorado Health Sciences Center, Department of Family Medicine, June 2000 - Present.

Associate Professor with Tenure, University of Arkansas for Medical Sciences, Department of Psychiatry, 1990 - 2000, promoted from Assistant Professor in 1993.

Research Associate, Washington University School of Medicine, Departments of Metabolism and Cardiology, 1986 -1990.

#### **PEER-REVIEWED PUBLICATIONS:**

Rost, K.M., Jaeger, R.J. and deCastro, F.J. (1979). Eye contamination: a poison center protocol for management. Clinical Toxicology, 12, 555-562.

Wells, E.B. and Rost, K.M. (1980). A report on innovative uses of volunteers to expand poison center services. Veterinary and Human Toxicology, 2, 16-17.

deCastro, F.J., Jaeger, R.J. and Rost, K.M. (1980). Tricyclic antidepressant poisoning: a clinical series. Veterinary and Human Toxicology, 22, 68-69.

## PEER-REVIEWED PUBLICATIONS: (continued)

- Gielen, A.C., Eriksen, M.P., Daltroy, L.H. and Rost, K.M. (1984). Factors associated with the use of child restraint devices. Health Education Quarterly, 11, 195-206.
- Rost, K.M. and Gielen, A.C. (1986). Car safety seat legislation: enforcement and increased restraint use. Journal of Police Administration and Enforcement, 14, 62-66.
- Rost, K.M. and Roter, D.L. (1987). Predictors of recall of medication regimens and recommendations for lifestyle change in elderly patients. The Gerontologist, 27, 510-515.
- Rost, K.M., Carter, W.B. and Inui, T.S. (1989). The introduction of information during the initial medical visit: consequences for patient follow-through with physician recommendations for medication. Social Science and Medicine, 28, 315-321.
- Rost, K.M. (1989). Patient activation interventions: research issues in dissemination. Diabetes Educator, 15, 80-82.
- Rost, K.M. (1989). The influence of patient participation on satisfaction and compliance. Diabetes Educator, 15, 139-143.
- Rost, K.M. and Gordon, G. (1989). The teacher simulation exercise: changes in physician teaching emphasis and strategy. Journal of General Internal Medicine, 4, 121-126.
- Rost, K.M., Connell, C.M., Schechtman, K., Barzilai, B. and Fisher, E.B. (1990). Predictors of employee involvement in a worksite health promotion program. Health Education Quarterly, 17, 395-407.
- Fisher, E.B., Haire-Joshu, D., Morgan, G.D., Rehberg, H. and Rost, K.M. (1990). State of the art: smoking and smoking cessation. Annual Review of Respiratory Diseases, 142, 702-720.
- Rost, K.M., Roter, D.L., Quill, R. and Bertakis, K. (1990). Capacity to remember prescription drug changes: deficits associated with diabetes. Diabetes Research and Practice, 10, 183-187.
- Rost, K.M., Flavin, K.F., Schmidt, L. and McGill, J. (1990). Self-care predictors of metabolic control in NIDDM patients. Diabetes Care, 13, 1111-1113.
- Rost, K.M., Roter, D.L., Bertakis, K. and Quill, T. (1990). Patient recall of prescription medication changes: a comparison of predictors with new and established patients. Family Medicine, 22, 453-457.
- Schechtman, K., Barzilai, B., Rost, K.M. and Fisher, E.B. (1991). Measuring physical activity with a single question. American Journal of Public Health, 81, 771-773.
- Smith, G.R., Golding, J.M., Kashner, T.M. and Rost, K.M. (1991). Antisocial personality disorder in primary care patients with somatization disorder. Comprehensive Psychiatry, 32, 367-372.
- Rost, K.M., Flavin, K.F., Cole, K. and McGill, J. (1991). Change in metabolic control and functional status after hospitalization: impact of patient activation intervention in diabetic patients. Diabetes Care, 14, 881-889.

## PEER-REVIEWED PUBLICATIONS: (continued)

- Hirokawa, R. and Rost, K.M. (1991). Effective group decision making in organizations: Field test of vigilant interaction theory. Management Communication Quarterly, 5, 267-288.

#### **GRANT ACTIVITY:**

Sigma Xi. Principal Investigator, Patient Anxiety Change During the Initial Medical Interview

(funded 1984: \$500).

National Institute of Arthritis, Digestive, Diabetes and Kidney Disease. Principal Investigator, Provider-Patient Communication Project (funded 1988-1990: \$170,000).

AARP Andrus Foundation. Principal Investigator, The Introduction of the Elderly Patient's Agenda in the Medical Visit (funded 1989-1990: \$49,765).

Veterans Administration. Investigator, Veterans Administration Health Services Research and Development Field Program for Mental Health (funded 1990-1998: \$2,052,973).

National Institute of Mental Health. Scientific Director, Center for Rural Mental Healthcare Research (funded 1990-1993: \$1,321,500).

InterStudy. Principal Investigator, Development and Pilot-Testing of a Panic Outcomes Management Protocol (funded 1990-1991: \$102,562).

**GRANT ACTIVITY: (continued)**

Veterans Administration. Principal Investigator, Mental Health Outcome Module Development and Initial Testing (funded 1991-1992: \$166,330).

Center for Rural Mental Healthcare Research. Principal Investigator, Survey of Depression in Rural Arkansas (funded 1991: \$8,824).

National Institute of Mental Health. Investigator, Psychosocial Morbidity in Childhood Asthma (funded 1991: \$29,302).

National Institute of Mental Health. Principal Investigator, Use of Care by Rural People with Depression (funded 1991-1995: \$1,009,832).

Veterans Administration. Investigator, Health Related Quality of Life in Veterans (funded 1992-1995: \$632,652).

Veterans Administration. Investigator, Impact of Alcohol Treatment on Outcomes and Costs (funded 1992-1995: \$634,600).

National Institute of Mental Health. Scientific Director, Center for Rural Mental Healthcare Research (funded 1993-1998: \$2,735,202).

National Institute of Mental Health. Investigator, Management of Psychosocial Problems in Primary Care (funded 1993-1996: \$1,641,966).

Veterans Administration. Investigator, Veterans Administration Health Services Research and Development Field Program for Mental Health (funded 1994-1998: \$1,800,000).

National Institute of Mental Health. Principal Investigator, Health Expenditures for Rural and Urban Depressed Patients (funded 1994-1995: \$90,000).

National Institute of Alcohol Abuse and Alcoholism. Principal Investigator and Investigator, Service Use and Course of Drinking in Rural Drinkers (funded 1994-1998: \$1,498,805).

National Institute of Mental Health. Principal Investigator, Depression Guidelines: Outcomes and Costs of Care (funded 1994-1997: \$1,002,573).

National Institute of Mental Health. Investigator, Geographic Access in Service Use in Rural Depression (funded 1994-1997: \$488,693).

MacArthur Foundation. Co-Principal Investigator, Quality Improvement for Depression (funded 1996-1999: \$600,000).

National Institute of Alcohol Abuse and Alcoholism. Investigator, Rural Drinkers: Longitudinal Services and Outcomes (funded 1996-1998: \$508,574).

Veterans Administration Health Services Research and Development. Investigator, The Quality of Medication Management for Schizophrenia (funded 1996-1999: \$596,060).

**GRANT ACTIVITY: (continued)**

National Institute of Mental Health. Principal Investigator, Quality Improvement for Depression (funded 1998-2003: \$1,549,983).

MacArthur Foundation. Investigator, The Feasibility of the AHCPR Depression Guidelines: What lies in the gap between the guidelines and best possible practice? (funded 1998: \$49,058).

National Institute of Mental Health. Scientific Director, Center for Mental Healthcare Research (funded 1998-2003: \$4,397,324).

National Institute of Mental Health. Investigator, Validation of the Adolescent Treatment Outcomes Module (funded 1998-2001: \$962,973).

MacArthur Foundation. Principal Investigator, Depression Tool Kit for Primary Care (funded 1999: \$8,700).

MacArthur Foundation. Investigator, Improving Primary Care Depression Treatment (funded 2000-2003: \$3,000,000).

MacArthur Foundation. Investigator, Improving the Quality of Depression Treatment for Disadvantaged Populations (funded 2000-2001: \$200,000).

National Institute of Mental Health. Mid-level Career Award, Developing Quality Indicators for Employer Use (funded 2001-2006, \$659,513).

Robert Wood Johnson. Investigator, Incentives Demonstration Project (funded 2002-2005, \$700,000).

MacArthur Foundation. Investigator, Disseminating the Three Component Model to Improve Primary Care Depression Treatment (funded 2003-2006, \$3,000,000).

Robert Wood Johnson. Co-Principal Investigator, Marketing Improved Depression Treatment to Employer Purchasers (funded 2003-2004: \$300,000).

Robert Wood Johnson. Invited Investigator, The Impact of Integrated EAP-Primary Care for Depression on Productivity Outcomes (funded 2005-2006: \$100,000).

Robert Wood Johnson, Invited Investigator, Rewarding Physicians for High Quality Depression Care (funded 2004 – 2006: \$300,000).

Health Services Research Administration, Office of Rural Health Policy. Principal Investigator, Center for Rural Mental Health Services Research (funded 2004-2008: \$1,795,001).

National Institute of Mental Health. Investigator, Rural MH Centers: Improving EBP for Depression (funded 2005-2008: \$450,000).

#### **GRANT ACTIVITY: (continued)**

National Institute of Mental Health. Investigator, Telemedicine–Based Collaborative Care to Reduce Rural Health Disparities (funded 2006-2011: \$2,192,824).

National Institute of Mental Health. Principal Investigator, Influencing Employer Benefit Purchasing Behavior (funded 2008-2013: \$2,160,105).

### **TEACHING AND EDITING EXPERIENCE:**

Course Director. Health Lifestyles for College Students. St. Louis University. 1986.

Course Director. Public Health Administration. St. Louis University Master's in Public Health Program. 1987.

Course Director. Medical Interviewing. University of Arkansas for Medical Science, Department of Psychiatry. 1990-1991.

Lecturer. Behavioral Science for Medical Students. University of Arkansas for Medical Sciences. 1992-1994.

Associate Editor, Journal of General Internal Medicine. 2001-2002.

Associate Editor, Administration and Policy in Mental Health and Mental Health Services Research. 2006 – present.

Group Facilitator. Doctoring 1. Florida State University College of Medicine, 2006 – present.

**GRANT REVIEW EXPERIENCE:**

Grant Reviewer. National Institute of Arthritis, Diabetes, Digestive and Kidney Diseases Diabetes Research & Training Center Site Visit (1989).

Grant Reviewer. Retirement Research Foundation (1990).

**GRANT REVIEW EXPERIENCE: (continued)**

Grant Reviewer. Clinical and Treatment Subcommittee, Alcohol Psychosocial Research Review Committee, National Institute of Alcohol Abuse and Alcoholism (1991).

Grant Reviewer. Special Review Committee, Breast Cancer Diagnosis, Management and Sequelae in Older Women, National Cancer Institute (1992).

Grant Reviewer. Special Review Committee, Use, Needs, Outcomes and Costs of Child and Adolescent Programs (UNOCCAP), National Institute of Mental Health (1994).

Grant Reviewer. Special Review Committee, National Institute of Alcohol Abuse and Alcoholism (1995).

Grant Reviewer. National Institute of Mental Health Services Research Review Committee (1997-2001).

Grant Reviewer. Geysinger Foundation (1997).

Grant Reviewer. Special Review Committee. National Institute of Mental Health Services Review Committee (2001-2002).

Grant Reviewer. National Institute of Mental Health Intervention Review Committee (2003-2004).

Grant Reviewer. National Institute of Environmental Health Sciences Special Review Committee (2003).

Grant Reviewer. National Institute of Mental Health Social Psychology, Personality, and Interpersonal Processes Review Committee (2004).

Grant Reviewer. Canadian Institute for Health Research. Special Committee on Mental Health and the Workplace (2006).

**SELECTED CONSULTATIONS SINCE 2000:**

MacArthur Task Force on Primary Care Management of Depressive Disorders (1994-Present).

Surgeon General's Initiative. Bridging Mental Health and Primary Care: Crossing the Quality Chasm, Department of Health & Human Services (2001).

MacArthur and Robert Wood Johnson Foundation's Depression in Primary Care Demonstration Project, Colorado Access. (2001-2005).

Assessing Organizational Features of Healthcare Settings to Improve Quality of Care Conference, Agency for Healthcare Research and Quality. (2002).

### **SELECTED CONSULTATIONS SINCE 2000: (continued)**

Gender Differences in Primary Care Depression Management, RAND Corporation (2002-2003).

Colorado Business Group on Health (2003-present).

Integrated Depression Care Management Models, Pikes Peak Behavioral Healthcare (2004-present).

Integrated Depression Care Management Models, Cigna Health Care (2005-2006).

Integrated Depression Care Management Models, Blue Cross Blue Shield Massachusetts (2005-present).

### **OTHER PROFESSIONAL POSITIONS:**

Staff Nurse. Emergency Room (1976-1977). City Hospital, St. Louis, MO.

Program Development Specialist (1977-1981). Cardinal Glennon Memorial Hospital for Children, St. Louis, MO.

### **HONORS:**

Public Health Fellowship, School of Hygiene and Public Health, The Johns Hopkins University.

Community Health Fellowship, George Warren Brown School of Social Work, Washington University.

Phi Beta Kappa, University of Kansas.

National Merit Finalist.
