

CURRICULUM VITA
Suzanne Bennett Johnson

Office Address: Department of Medical Humanities and Social Sciences
Florida State University College of Medicine
Tallahassee Florida 32306-4300
Telephone: 850 644 8462
Fax: 850 644 5781
Email: Suzanne.johnson@med.fsu.edu

Licensure Licensed Psychologist, Florida #2320
Board Certified, Clinical Health Psychology, American Board of Professional Psychology

Education and Employment History

- 1966-1970: Cornell University, B.A. magna cum laude in psychology
- 1970-1974: State University of New York at Stony Brook, Ph.D. in Clinical Psychology (American Psychological Association approved program)
- 1973-1974: University of Florida, Internship in Clinical Psychology (American Psychological Association approved program), J. Hillis Miller Health Center, Gainesville, FL
- 1974-1975: University of Florida, Post-doctoral Fellow in Clinical Child Psychology, J. Hillis Miller Health Center, Gainesville, FL
- 1975-1978: Assistant Professor, Department of Clinical Psychology, University of Florida Health Science Center, Gainesville, FL
- 1978-1981: Assistant Professor, Division of Child and Adolescent Psychiatry, Department of Psychiatry, with joint appointments in the Division of Endocrinology of the Department of Pediatrics, and the Department of Clinical Psychology, University of Florida Health Science Center, Gainesville, FL
- 1978-1985: Director, Diabetes Project Unit, Children's Mental Health Unit, University of Florida, Gainesville, FL
- 1981-1987: Associate Professor, Division of Child and Adolescent Psychiatry, Department of Psychiatry, with joint appointments in the Department of Pediatrics and the Department of Clinical and Health Psychology, University of Florida Health Science Center, Gainesville, FL
- 1987-1994: Full Professor, Division of Child and Adolescent Psychiatry, Department of Psychiatry, with joint appointments in the Department of Pediatrics and the Department of Clinical and Health Psychology, University of Florida Health Science Center, Gainesville, FL
- 1997-1999: University of Florida Research Foundation Professor
- 1994-2002: Full Professor and Director, Center for Pediatric Psychology and Family Studies, College of Health Professions, with joint appointments in the Department of Clinical and Health

Psychology and the Department of Pediatrics, University of Florida Health Science Center, Gainesville, FL

- 2001: Associate Chairperson for Research, Department of Clinical and Health Psychology, University of Florida Health Science Center, Gainesville, FL
- 2002: Distinguished Professor and Director, Center for Pediatric Psychology and Family Studies, College of Health Professions, with joint appointments in the Department of Clinical and Health Psychology and the Department of Pediatrics, University of Florida Health Science Center, Gainesville, FL
- 2001-2002: Robert Wood Johnson Health Policy Fellow, Office of Hillary Rodham Clinton, Washington DC
- 2002-present: Professor and Chair, Department of Medical Humanities and Social Sciences, Florida State University College of Medicine, Tallahassee, FL

Honors and Awards

Phi Beta Kappa, Cornell University, 1970
 Awarded National Science Foundation Fellowship, 1970
 Awarded National Institute of Mental Health Traineeship, 1970
 Awarded Public Health Service Fellowship, 1973
 Awarded Generalized Research Support Grant, 1974
 Outstanding Young Women of America, 1978
 Who's Who and Why of Successful Florida Women, 1985
 Marquis Who's Who In Rehabilitation: Professionals and Facilities, 1985
 Foremost Women of the Twentieth Century, 1987
 Who's Who in Florida, 1988
 Who's Who of American Women, 1988
 Fellow, American Psychological Association, 1989
 Recipient of the Outstanding Research Award from the Florida Psychological Association, 1989
 Dictionary of International Biography, 1990
 Who's Who of Emerging Leaders in America, 199-92
 Who's Who in the South and Southwest, 1992
 Board Certified in Clinical Health Psychology, American Board of Professional Psychology, 1992
 University of Florida's Research Achievement Award, 1993
 President, Society of Pediatric Psychology, 1993
 Recipient of the Outstanding Contributions to Psychology Award from the Florida Psychological Association, 1993
 Dictionary of International Biography - 23rd Edition, 1993
 President, Division of Health Psychology of the American Psychological Association, 1994-95
 Significant Research Contribution Award in Pediatric Psychology, Society of Pediatric Psychology, 1996
 The William R. Jones Most Valuable Mentor Award, McKnight Foundation, 1997
 University of Florida Research Foundation Professorship, 1997-1999
 University of Florida Professorial Excellence Award, 1998
 Research Mentor Award, Department of Clinical and Health Psychology, University of Florida, 1999
 College of Health Professions Teacher/Scholar of the Year, 2000
 Martin P. Levin Mentorship Award, Division 54, American Psychological Association, 2000
 Distinguished Service Award, North Central Florida Chapter, Florida Psychological Association, 2000

Robert Wood Johnson Health Policy Fellowship, 2001-2002
 Distinguished Research Contribution Award, Association of Medical School Psychologists, 2002
 Distinguished Professor, University of Florida, 2002
 Florida State University College of Medicine Senior Research Award, 2006
 Who's Who of American Women, 2007
 Mary Jane Kugel Award for service in scientific review, Juvenile Diabetes Research Foundation International, 2007
 American Diabetes Association Behavioral Medicine and Psychology Lectureship for Distinguished Contributions, 2007
 Career Service to Health Psychology Award, Health Psychology Division of the American Psychological Association, 2007

Professional Organizations

American Psychological Association

Fellow: Divisions 12 and 38

Council Representative, 1990-1996, 2006-2009

President: Section 5 (Pediatric Psychology) of Division 12 (Clinical Psychology), 1993

President: Division 38 (Health Psychology), 1994-95

Member: Primary Care Task Force, Practice Directorate, 1995-1996

Member: Task Force on Council Representation, 1996

Co-Chair: Presidential Task Force on Prevention -

Promoting Strength, Resilience and Health in Young People, 1997-1998

Member: Science/Academic Leadership Council, 1998-2000

Member: Board of Professional Affairs, 1998-2000; Chair: 2000

BPA Representative, Interdivisional Health Committee, 1998-2002

BPA Representative, Commission on Education and Training Leading to Licensure, 2001

Member: Committee on Professional Practice Standards, 1999-2000.

Member: Fellows Committee: Division 54, 2000-02

Chair: Task Force on Complimentary and Alternative Medicine, Practice Directorate, 2001

Member: Board of Scientific Affairs, 2002-2004, Chair 2003, 2004

Member: APA – NASBHC childhood obesity project, Practice Directorate, 2005-2007

Member: APA-ADA task force to develop a curriculum for psychologists treating patients with diabetes, 2006

Member, Interdivisional Health Council (representing Division 38), 2007-2008

Member, Strategic Planning Advisory Committee to CEO, Dr. Norman Anderson, 2007

Member, Board of Directors, 2008-2010

Society of Pediatric Psychology

President, 1993

Representative: Interdivisional Health Committee, 1996-1998

American Board of Clinical Health Psychology

Vice-President, 1994- 1999

Southeastern Psychological Association

Florida Psychological Association

Workshop Chair, 1988-89

American Psychological Association Council Representative, 1990-96

Award Coordinator for the Florida State Jr-Sr High School Science Fair, 1996-1999

Federation of Behavioral, Psychological, and Cognitive Sciences

Elected member at-large, 2005 – 2007

US National Committee for the International Union of Psychological Sciences, National Academy of

Sciences, 2003-2008; Co-Chair: 2006; Chair: 2007-2008.

Chair, Steering Committee for a Workshop on International Collaborations in Social and Behavioral Research, 2006-2008

American Diabetes Association

Member, Writing Group, Guidelines for Psychological Services for Patients with Diabetes, 2005-2006

Association of Medical School Professors of Psychology

Society for Developmental and Behavioral Pediatrics

International Union of Science

Member, Science Planning Group on Health and Well-being in the Changing Urban Environment, 2008-2010

Editorial, Consultant Activity, and Grant Review

Associate Editor, *Prevention and Treatment*, 1998-2001

Member, Editorial Advisory Board, *Journal of Health Psychology*, 1996-2001

Member, Advisory Board, *Journal of Child Psychology and Psychiatry*, 1996-2004

Member, Editorial Board, *Journal of Pediatric Psychology*, 1982-2007

Member, Editorial Board, *Journal of Abnormal Child Psychology*, 1979-1998

Associate Editor, *Health Psychology*, 1989-1994

Member, Editorial Board, *Journal of Applied Behavior Analysis*, 1978-1980, and 1982-1984

Guest Reviewer, *Behavioral Assessment*, *Journal of Behavioral Medicine*, *Journal of Consulting and Clinical Psychology*, *Diabetes Care*, *Journal of Clinical Psychology in Medical Settings*, *Journal of the American Medical Association*, *Pediatric Diabetes*, *Annals of Behavioral Medicine*, *Family, Systems, and Health*

Consultant, Ares-Serono Laboratories, Norwell, MA, 1999-present

Member, Scientific Advisory Board, Adheris, Boston MA, 2000-present

Ad hoc reviewer for Merit Review Board in Behavioral Sciences, Department of Medicine and Surgery of the Veterans Administration, Washington, D.C., 1982

Consultant, Diabetes Research and Training Center, Vanderbilt University School of Medicine, Nashville, Tennessee, 1983

Ad hoc reviewer for grant applications made to the Diabetes Research and Training Center, Washington University, St. Louis, Missouri, 1983

Ad hoc member of the Psychotherapy and Behavioral Treatment Study Section of the National Institutes of Mental Health, Washington, D.C., 1984

Ad hoc reviewer for Merit Review Board in Behavioral Sciences, Department of Medicine and Surgery of the Veterans Administration, Washington, D.C., 1985

Ad hoc reviewer for University of Michigan's Diabetes Research and Training Center: Pilot/Feasibility Grants, 1990

Ad hoc reviewer for the Medical Research Council of Canada, 1990

Site visitor, NICHD, 1991

Member, NINR Ad hoc Review Committee, Exploratory Center for Health Behavior Research with Children and Adolescents, 1991

Member, NIDDK Special Review Committee, Collaborative Research Planning Grant - Diabetes in American Indians and Alaska Natives, 1991

Invited Participant, NIMH National Working Conference on Research Frontiers in Behavioral Medicine, Chantilly Virginia, 1993

Invited Participant, NIMH Priorities in Health and Behavior Research, Washington, D.C., 1995

Member, NIH Behavioral and Neuroscience Special Emphasis Panel, Behavioral Medicine Study Section, 1995

Consultant on subject recruitment and retention, NIH Diabetes Prevention Trial-1, 1995

Panel Member, NIH Consensus Development Conference on Physical Activity and Cardiovascular Health, December 1995

Invited Speaker, NIH Behavioral and Social Sciences Seminar Series, May 1996

Panel Member, NIH Workshop on Inclusion of Children in Clinical Research, 1996

Member, NIH Planning Committee for the Conference on Preventing Osteoporosis, 1996

Invited Speaker, NIDCR Teleconference, Creating New Paradigms for Collaboration in Biology, Oral Clinical Research and the Sociobehavioral Sciences, 1996

Member, Scientific Program Committee (1995-1998), 24th International Congress of Applied Psychology

Member, Special Emphasis Panel, Behavioral and Applied Review Branch, NIMH, 1997

Member, Center for Mental Health Services *Healthy People 2010* Workgroup: Building Mental Health Objectives for the Next Decade, 1997

Speaker, American Psychological Association's Congressional Briefing on Serious Illness in Children, 1997

Member, Special Emphasis Panel, Behavioral and Applied Review Branch, NIMH, 1998

Member, Special Emphasis Panel, NICHD, 1998

Member, NIH Study Section: Social Sciences, Nursing, Epidemiology, and Measurement, 1999

Invited Speaker, NIDDK Conference on Behavioral Science Research in Diabetes, 1999

Member, NIDCR Satellite Working Group on Oral Health Promotion and Behavioral Research Directions in Diabetes, 1999

Member, Special Emphasis Panel, NIDDK, ZDK1 GRB-6 (02), 2000

Member, Special Emphasis Panel, Center for Scientific Review, Risk Prevention and Health Behavior IRG, ZRG1 RPHB-2 (01), 2002

Member, Medical Science Review Committee, Juvenile Diabetes Research Foundation International, 2002, 2004, 2005

Co-Chair, Psychosocial Studies Group, Member, Coordinators' Committee, NIH Consortium for Identification of Environmental Triggers of Type 1 Diabetes, 2002-2007

Member, NIH/NCRR GCRC Site Review Team, Wayne State University, Detroit, Michigan, 2003

Member, NIH ZRG1 RPHB A (02) Special Emphasis Review Panel, 2004

Site reviewer, Division of Epidemiology, Statistics and Prevention Research, NICHD, 2004

Chair, Protocol Advisory Committee, Family Management of Childhood Diabetes, NICHD, 2004-2005

Member, Diabetes, Endocrinology and Metabolic B Subcommittee, NIDDK Initial Review Group, 2005

Member, Expert Panel, The Role of Schools in Addressing Childhood Overweight, Center for Disease Control, 2005

Member, Clinical Research Review Committee, National Center for Research Resources Review Group RIRG-G (04), 2005

Consultant, Preparing Leaders in Disability and Pediatric Psychology: Integrating Practice and Educational Policy, a USDE Leadership Training Grant Awarded to the College of Education University of Iowa, 2006-2008

Member, Diabetes, Endocrinology and Metabolic B Subcommittee, NIDDK Initial Review Group, 2006

DAWN Youth U.S. Advisory Board, 2007-2009

Grants

Principal Investigator: "Compliance and Control in Childhood Diabetes," funded by the National Institute of Child Health and Human Development, 1980-1983. \$270,840, direct costs. Grant No. R01 HD 13820.

Principal Investigator: "Compliance and Control in Childhood Diabetes," funded by the National Institute of Child Health and Human Development, supplemental funding December 1, 1983 to February 28, 1984, \$23,566, direct costs. Grant No. R01 HD 13820.

Principal Investigator: "Compliance and Control in Childhood Diabetes," funded by the National Institute of Child Health and Human Development, 1984-1987. \$354,404, direct costs. Grant No. R01 HD 13820.

Principal Investigator: "Psychological Correlates of Health in Diabetes," Research Career Development Award funded by the National Institute of Child Health and Human Development, 1985-1990. \$240,000, direct costs. Grant No. K04 HD 00686.

Principal Investigator: "Compliance and Control in Childhood Diabetes," funded by the National Institute of Child Health and Human Development, supplemental funding March 1, 1987 to July 1, 1987. \$27,898, direct costs. Grant No. R01 HD 13820.

Principal Investigator: "Compliance and Control in Childhood Diabetes," funded by the National Institute of Child Health and Human Development, 1987-1989. \$144,715, direct costs. Grant No. R01 HD 13820.

Principal Investigator: "Psychological Correlates of Diabetes Onset in High Risk Individuals," funded by the National Institute of Arthritis, Diabetes, and Digestive and Kidney Diseases, 1987-1992. \$388,709, direct costs. This award is part of a program project grant to Noel Maclaren, M.D. (P.I.) entitled "Genetics and Pathogenesis of Insulin Dependent Diabetes". Grant No. P01 DK 39079.

Principal Investigator: "Compliance and Control in Childhood Diabetes", funded by the National Institute of Child Health and Human Development, 1990-1995. \$588,723, direct costs. Grant No. R01 HD 13820.

Principal Investigator: "Compliance and Control in Childhood Diabetes," funded by the National Institute of Child Health and Human Development, 1996-2001. \$1,023,688, direct costs. Grant No. R01 HD 13820.

Co-Investigator (Principal Investigator: Annette LaGreca): "Environmental Stress and the Development of Type I Diabetes," funded by the Fetzer Institute, 1996-1998. \$89,177, direct costs.

Principal Investigator: "Identifying neonates at risk for diabetes: Impact on maternal perceptions, affect, and registry participation," funded by the American Diabetes Association, 2000-2003, \$252,846, direct costs.

Principal Investigator: "Health Policy Fellowships," funded by the Robert Wood Johnson Foundation, 2001-2002, \$91,142 direct costs.

Principal Investigator: "Diabetes Prevention Trial – Type 1 Diabetes: A Survey of Participant Experiences in the Parenteral Arm," subcontract funded by the National Institutes of Diabetes, Digestive and Kidney Diseases, 2001-2002, \$25,000 direct costs.

Principal Investigator: "Clinic-Based Adherence Intervention for Diabetes and CF," funded by the National Heart, Lung, and Blood Institute, 2001-2007, \$1,801,178 direct costs.

Principal Investigator: "Diabetes Prevention Trial – Type 1 Diabetes: A Survey of Participant Experiences in the Oral Arm," subcontract funded by the National Institutes of Diabetes, Digestive and Kidney Disease, 2003-2004, \$25,137 direct costs.

Co-Chair, Psychosocial Studies Committee: "Consortium for Identification of Environmental Triggers of Type 1 Diabetes," subcontract funded by the National Institutes of Diabetes, Digestive and Kidney Disease, 2003-2009, \$172,095 direct costs.

Consultant and Investigator: "TrialNet," subcontract funded by the National Institutes of Diabetes, Digestive and Kidney Disease, 2005-2008, \$71,254 direct costs.

Principal Investigator: Impact of School-Based Body Mass Index (BMI) Screening on Parent Behavior and Child Health, 2009-2013, \$1,827,654 direct costs. Grant No. R01HD058869, funding pending.

Recent Presentations: 2000- present

Johnson, Suzanne Bennett. At-Risk for Diabetes: Psychological, Social, and Educational Challenges of Screening Programs to Identify High-Risk Individuals. Presented at the University of London, Royal Holloway, November 2000.

Johnson, Suzanne Bennett. Trials in High-Risk Newborns: Psychological, Social, and Ethical Issues. Presented at the NIDDK sponsored Workshop on Future Directions in Prevention of Type 1 Diabetes, January 2000, Miami, FL.

Johnson, Suzanne Bennett. Health Psychology as a Science: Current Strengths and Emerging Opportunities. Presented at the American Psychological Association Division 38's Future of Health Psychology Conference, March 2000, Pittsburgh PA.

Johnson, Suzanne Bennett. Why Psychologists Should Pay Attention to Treatment Guidelines. Presented at the annual meeting of the American Psychological Association's Symposium: Treatment Guidelines in Health Care, August 2000, Washington DC.

Johnson, Suzanne Bennett. Screening Programs to Identify Children At-risk for Diabetes: Psychological Impact on Children and Parents. Invited presentation, 9th International Beilinson-Schneider Symposium on Children with Parents or Siblings with Diabetes, September 2000, Maagan Holiday Village, Sea of Galilee, Israel.

Also presented at the University of Turku, Finland, May 2001.

Johnson, Suzanne Bennett. Assessing Patient Medical Adherence: Advantages and Limitations of Self-Report. Presented at the annual meeting of the American Academy of Child Psychiatry's Symposium: Psychologic and Interpersonal Factors Affecting Adherence to Medical Treatments, October 2000, New York, NY.

Johnson, Suzanne Bennett. Management of Childhood Diabetes: A Family Affair, Symposium on Families, Health and Psychology. Invited presentation at the annual meeting of the American Psychological Association, August 2001, San Francisco, CA.

Johnson, Suzanne Bennett. Diabetes, Symposium on Bridging Behavior and Health: Psychology's Role in Disease Prevention, Coping and Recovery. Invited presentation at the annual meeting of the American Psychological Association, August 2001, San Francisco, CA.

Johnson, Suzanne Bennett. The Role of the Psychologist on the Pediatric Health Care Team, Symposium on Pioneering and Reinventing: Innovative Practices for the 21st Century from a Diversity of Perspectives and Backgrounds. Invited presentation at the annual meeting of the American Psychological Association, August 2001, San Francisco, CA.

Johnson, Suzanne Bennett. Why Psychologists Should Pay Attention to Practice Guidelines, Symposium on Previewing Proposed New Criteria by the Committee on Professional Practice and Standards. Invited presentation at the annual meeting of the American Psychological Association, August 2001, San Francisco, CA.

Johnson, Suzanne Bennett. Participant Experiences in the DPT-1: Preliminary Results. Invited Presentation to NIH Type 1 TrialNet Study Group, May 2002, Bethesda, MD.

Johnson, Suzanne Bennett. The Development of the Health and Behavior CPT codes, symposium on The New CPT Health and Behavior Codes: Implementation and Reimbursement. Invited presentation at the annual meeting of the American Psychological Association, August 2002, Chicago, IL.

- Johnson, Suzanne Bennett. Behavioral Management of Children with Type 1 Diabetes: Psychology's Contributions, symposium on Diabetes and Behavior for the 21st Century. Invited presentation at the annual meeting of the American Psychological Association, August 2002, Chicago, IL.
- Johnson, Suzanne Bennett. Adherence Assessment and Promotion in Medically Ill Patients. Keynote Workshop, Kentucky Psychological Association's Annual Meeting, November 2002.
- Johnson, Suzanne Bennett. Psychology as a Healthcare Profession: Changing Roles and Responsibilities. Keynote Workshop, Kentucky Psychological Association's Annual Meeting, November 2002.
- Johnson, Suzanne Bennett. Adherence Assessment and Promotion in Medically Ill Children. Invited Workshop, 3rd Biennial Niagara Conference on Evidence-Based Treatments for Childhood and Adolescent Mental Health Problems, July, 2003.
- Johnson, Suzanne Bennett. Medical Regimen Adherence and Health Status: Lessons Learned. Keynote Address, 3rd Biennial Niagara Conference on Evidence-Based Treatments for Childhood and Adolescent Mental Health Problems, July, 2003.
- Johnson, Suzanne Bennett. Helping Families Manage Childhood Diabetes. Grand Rounds presentation, The Children's Hospital of Buffalo, July 2003.
- Johnson, Suzanne Bennett. The Biology Bias in US Health Care: Are We on the Verge of a Paradigm Shift? Invited presentation, Symposium on Practice 2020: Perspectives on the Future of Professional Psychology. Annual meeting of the American Psychological Association, Toronto, Canada, August, 2003.
- Johnson, Suzanne Bennett. Integrating Behavior into Health Research and Health Care: One Psychologist's Journey. Invited presentation, annual meeting of the American Psychological Association, Toronto, Canada, August, 2003.
- Johnson, Suzanne Bennett. Type 1 Risk Perception. Invited presentation, annual meeting of the American Diabetes Association, Orlando, Florida, June 2004.
- Johnson, Suzanne Bennett. Psychological Services as Health Care: Emerging Challenges for Traditional Training Models. Invited presentation, Symposium on Psychological Services as Health Care – Disciplinary Challenges, Conundrums, and Opportunities. Annual meeting of the American Psychological Association, Honolulu, Hawaii, July 2004.
- Johnson, Suzanne Bennett. IOM Report on Enhancing Behavioral and Social Science in Medical Education: Impact and Opportunities for Psychology. Invited Symposium, annual meeting of the American Psychological Association, Washington DC, August 2005.
- Johnson, Suzanne Bennett. Type 1 Diabetes in Children: Research Challenges and Opportunities. Invited workshop, Mt. Sinai Medical School. New York, November 2005.
- Johnson, Suzanne Bennett and Pilkington, L. School-Based BMI Screening: One School District's Response to the Pediatric Obesity Epidemic. Invited presentation, Florida School Health Association, Orlando Florida, May 2006.

- Johnson, Suzanne Bennett, Baughcum, A., Hood, K., Rafkin-Mervis, L, Schatz, D. Participant Experiences in the DPT-1. Invited presentation, meeting of TrialNet investigators, Alexandria, VA, September 2006.
- Johnson, Suzanne Bennett. Psychologists in Medical Settings. Invited presentation, American Psychological Association's Science Leadership Conference, Washington DC, December 2006.
- Johnson, Suzanne Bennett. Robert Wood Johnson Health Policy Fellowship Program. Invited presentation, Advocacy in Service of Psychology and the Public Welfare: Privilege, Prescriptions, and Primary Care, Santa Fe, New Mexico, February 2007.
- Johnson, Suzanne Bennett. Newborn Genetic Screening for Type 1 Diabetes: Impact on Families Invited colloquium, State University of New York at Stony Brook, April 2007.
- Johnson, Suzanne Bennett. Recommendations for Research Success: One Investigator's Perspective. Invited presentation, Association of Psychologists in Academic Health Centers' 3rd National Conference, Minneapolis, Minnesota, May 2007.
- Johnson, Suzanne Bennett. Behavioral Research in Type 1 Diabetes Management and Prevention: Lessons Learned from a 25-Year Career. American Diabetes Association Behavioral Medicine and Psychology Lecture for Distinguished Contributions, Chicago, Illinois, June 2007.
- Rubin, R. and Johnson Suzanne Bennett. Psychological Implications of and Treatments for Diabetes. Workshop presented at the annual meeting of the American Psychological Association, San Francisco, 2007.
- Johnson, Suzanne Bennett. Enhancing Patient-Provider Communication. Invited Address. Management of Diabetes In Youth, Biannual Conference of the Barbara Davis Center for Childhood Diabetes, Keystone Colorado, July 2008.
- Johnson, Suzanne Bennett. National Research Council Workshop Report on International Collaborations in Behavioral and Social Sciences: Implications for Psychology Education. Invited presentation, American Psychological Association Education Leadership Conference: Internationalizing Psychology Education, Washington DC, September 2008
- Johnson, Suzanne Bennett. Measuring Adherence to Medical Regimens. Invited presentation, National Institute of Diabetes and Digestive and Kidney Diseases Conference on Non-Adherence in Adolescents with Chronic Illness, Bethesda MD, September 2008.

Dissertations and Masters Chaired

- Brooks, P. The influence of pictures, context, and difficulty on beginning reading. Doctoral dissertation, University of Florida, 1977.
- Waitzman, S. Effects of content versus consequence reward on preference for academic tasks in a token economy. Master's Thesis, University of Florida, 1978.
- Eaton, J. The effect of instructions on the abstraction of spelling patterns by first graders. Master's Thesis, University of Florida, 1978.

- Harris, G. A comparison of the effectiveness of individualized coping imagery and systematic desensitization as training in self-control for the alleviation of test anxiety. Master's Thesis, University of Florida, 1978.
- Alexander, B. Reliability of heterosocial skills measurement with sex offenders. Master's Thesis, University of Florida, 1979.
- Miller, R. Learned helplessness, depression, and the perception of noncontingency. Master's Thesis, University of Florida, 1979.
- Wakeen, J. An attributional analysis of learned helplessness and depression in college students. Master's Thesis, University of Florida, 1979.
- Gilbert, B. The use of a peer modeling film in the reduction of anxiety and skill acquisition in children learning to self-inject insulin. Master's Thesis, University of Florida, 1980.
- Harris, G. A comparison of several different imagery instruction procedures for the treatment of text anxiety. Doctoral Dissertation, University of Florida, 1980.
- Couchells, S. An exploratory study of variables presumed to be relevant in the study of enuresis. Master's Thesis, University of Florida, 1980.
- Harkavy, J. A study of the relationship of knowledge, behavior and control in juvenile diabetes. Master's Thesis, University of Florida, 1981.
- Morey, S.M. The emergence of peer differences in play in the preschool years: Peer influences. Doctoral Dissertation, University of Florida, 1981.
- Alexander, B. A psychometric study of the family adaptability and cohesion scale. Doctoral Dissertation, University of Florida, 1982.
- Couchells, S. The effects of alcohol on subjects perception and processing of consistent and inconsistent social communications. Doctoral Dissertation, University of Florida, 1982.
- Miller, R. The perception of contingency in depressed and nondepressed subjects. Doctoral Dissertation, University of Florida, 1983.
- Freund, A. The relationship between blood glucose and symptomatology in insulin dependent adolescents. Master's Thesis, University of Florida, 1983.
- Harkavy, J. Cognitive development and children's concepts of illness. Doctoral Dissertation, University of Florida, 1984.
- Spevack, M. Toward an empirically derived method of measuring diabetes control. Master's Thesis, University of Florida, 1985.
- Brody, H. An evaluation of blood-glucose monitoring skills among children with diabetes. Master's Thesis, University of Florida, 1985.

- Geffken, G. Multivariate assessment in the treatment of nocturnal enuresis. Doctoral Dissertation, University of Florida, 1985.
- Gilbert, B. Physiological responsitivity to venipuncture and speech giving in insulin-dependent diabetic adolescents at two levels of diabetic control and their nondiabetic peers. Doctoral Dissertation, University of Florida, 1985.
- Isleib, R. Quality of attachment: Stability and relationship to family environmental variables. Doctoral Dissertation, University of Florida, 1985.
- Lewis, C. Growth hormone deficient children: Peer, parent, teacher and self-perceptions. Doctoral Dissertation, University of Florida, 1986.
- Reynolds, L. Validity of the twenty-four hour recall interview in assessing diabetes daily management behaviors. Master's Thesis, University of Florida, 1987.
- Freund, A. The relationship between adherence behaviors and metabolic control in childhood diabetes. Doctoral Dissertation, University of Florida, 1987.
- Spevack, M. The relationship between adherence behaviors and glycemc control in childhood diabetes. Doctoral Dissertation, University of Florida, 1987.
- Nurick, M. Effects of an intervention program on blood glucose estimation in patients with insulin dependent diabetes mellitus. Master's Thesis, University of Florida, 1988.
- Samo, J. Effects of psychological stress on blood glucose in diabetes. Doctoral Dissertation, University of Florida, 1990.
- Reynolds, L. Factors influencing metabolic control in adolescents with insulin dependent diabetes mellitus. Doctoral Dissertation, University of Florida, 1991.
- Halstead, M. Administration of the Ways of Coping Checklist to adolescents. Master's Thesis. University of Florida, 1991.
- Nurick, M. The effect of presentation format and number of blood glucose values on diabetologists' insulin dose recommendations. Doctoral Dissertation. University of Florida, 1992.
- Abner, John-Paul. Perceptions of the seriousness of medical neglect. Master's Thesis, University of Florida, 1992.
- Brochhausen, P. Psychosocial and medical history correlates of breast cancer. Master's Thesis, University of Florida, 1992.
- Halstead, M. Transition into high school: Psychosocial correlates of adjustment. Doctoral Dissertation. University of Florida, 1994.
- Spevack, T. A longitudinal study of cognitive performance in children with early versus late onset of insulin-dependent diabetes mellitus. Master's Thesis, University of Florida, 1994.

- Olufokunbi, D. The influence of parental discipline styles on the behavior of children presenting for dental examination. Master's Thesis, University of Florida, 1995.
- Engel, N. Attention in children with insulin dependent diabetes mellitus. Doctoral Dissertation, University of Florida, 1995.
- Abner, J.P. Effects of type of maltreatment, severity of physical consequence, and respondent variables on the perceptions of medical neglect and physical abuse. Doctoral Dissertation, University of Florida, 1996.
- Colvin, C. Are sibling roles altered when one child has diabetes? Doctoral Dissertation, University of Florida, 1996.
- Walton, J.W. Black and white mother and child perceptions of child anxiety: The effects of stress and health status. Doctoral Dissertation, University of Florida, 1997.
- Olufokunbi, D.F. The relationship between health-related behaviors and health status among minority populations. Doctoral Dissertation, University of Florida, 1997.
- Tercyak, K. P. Anxiety and coping style among pregnant women offered amniocentesis. Doctoral Dissertation, University of Florida, 1997.
- Meltzer, L. J. Parent and child attitudes toward diabetes: Disentangling the effects of current age, onset age, and disease duration. Master's Thesis, University of Florida, 1999.
- Kirkpatrick, K. Is intensive therapy for everyone? Predictors of success and failure in adolescents with type 1 diabetes. Master's Thesis, University of Florida, 2000.
- Jacobs, J. Health-related quality of life in adolescents with diabetes mellitus. Doctoral Dissertation, University of Florida, 2000.
- Perwien, A. Assessing quality of life in adolescents with type 1 diabetes: An examination of generic and disease-specific measures. Doctoral Dissertation, University of Florida, 2000.
- Aamiry, A. Cognitive performance of children with type 1 diabetes mellitus after recovery from Hypoglycemia. Doctoral Dissertation, University of Florida, 2000.
- Baughcum, A. The relationship between maternal feeding practices and beliefs and overweight in preschoolers. Master's Thesis, University of Florida, 2001.
- Bryant, N. Medical foster families: Assessing their characteristics and needs. Doctoral Dissertation, University of Florida, 2001
- Meltzer, L. Mothers of children with chronic illnesses: A caregiver burden model and summer camp as respite care. Doctoral Dissertation, University of Florida, 2001
- Danda, C. Adolescence, emotional and behavior problems, and counseling: Where's the stigma? Doctoral Dissertation, University of Florida, 2001

Baughcum, A. Maternal efforts to prevent type 1 diabetes in genetically screened infants. Doctoral Dissertation, University of Florida, 2003.

Hood, K. Maternal response to newborn genetic screening for type 1 diabetes: The role of depression. Doctoral Dissertation, University of Florida, 2003.

Aker, R. The Effects of Family History on Patient Health Behavior: An Examination of Youths with Type 1 and Type 2 Diabetes. Doctoral Dissertation, University of Florida, 2003.

Carmichael, S. Newborn Genetic Screening for Type I Diabetes: Factors Affecting Maternal Risk Perception, Anxiety and Study Participation. Doctoral Dissertation, University of Florida, 2003.

Justice, K. Eating Disorders in Type 1 and Type 2 Diabetes: Prevalence and Adherence to the Regimen. Doctoral Dissertation, University of Florida, 2003.
