

FSU College of Medicine

Graduate Course Registration Form (rev. 6/1/23)

*Instructions: This form is to be completed for registration **each semester** by all students in the Program in Biomedical Sciences. Students in other Colleges who wish to register for graduate courses in the College of Medicine should also complete this form.*

First year graduate students must register for all required courses listed in the Student Handbook. This form must be signed by either Cathy Levenson or Gregg Stanwood.

Second and successive year students should consult with their Major Professor on recommended course selection and recommendations by their Supervisory Committee. All students must follow the departmental requirements in the Student Handbook. The form must be signed by your Major Professor.

Complete this form and submit to Tim McGann, 2370-H MSR. You can also email the form to me. Once approved, registration is via the FSU online registration system.
