FSU College of Medicine Atrium  
Monday, February 10, 2014  
Noon to 1:30 p.m.

Mark your calendars! Learn about research being done at the College of Medicine and meet the faculty and student researchers making it happen.

Presenters  
Medical and graduate students, postdocs, and faculty from both the main and regional campuses are encouraged to participate. If you are interested in presenting a poster on your research, please register online at 2014 Research Fair Registration by February 4, 2014. This link is found at the Research and Graduate Programs Intranet (SharePoint) home page.

Poster Session  
The Research Fair provides the opportunity to hear firsthand about the amazing research occurring at the College of Medicine. Posters will be displayed throughout the day, but from Noon to 1:30 researchers will be at their posters to describe their projects and answer your questions. During this time food and refreshments will be served.

Summer Research Fellowships: The College of Medicine Summer Research Fellowship program allows for medical students to participate in research, with the assistance of a faculty mentor. Medical students wishing to participate in the Summer Research Fellowship program are required to submit a research proposal in order to be considered for a $2,500 award. If you are interested in applying, we strongly encourage you to begin by reaching out to faculty within your area of research interest to identify a mentor. Please contact Dr. Myra Hurt, Senior Associate Dean for Research, Graduate & Undergraduate Programs or Sara Shaw at sara.shaw@med.fsu.edu or 645-7341 if you have any questions.
