

CELEBRATE A LEGACY

... and support the future of a strong medical education at the Florida State University College of Medicine.

LEGACY CELEBRATION PROGRAM

The brick walkway surrounding the College of Medicine courtyard is the focal point of our Legacy Celebration Program. Inscribed bricks, granite pavers and commemorative benches not only provide financial support for the college and its mission, but establish a lasting impression for those honored by the **tax-deductible** contribution. Help pave the way for the future of medical education and pay tribute to a graduate, faculty member, or friend.
