

Complete Medical Care.

Here in Gadsden.

## TMH Physician Partners Welcomes

**Lisa Johnson, M.D.**

**Joedrecka Brown, M.D.**

Both Dr. Johnson and Dr. Brown are on the faculty of The Florida State University College of Medicine and will be caring for patients in our Gadsden practice.

Dr. Johnson has special interest in adolescent health care particularly in menstrual disorders, contraception, sexually transmitted infections, women's health, health education, and health care disparities. Dr. Brown's special interests include preventive care, women's health, patient empowerment, health disparities and global health.
