## Dance Marathon Presents Check to FSU College of Medicine

Back in February hundreds of FSU students danced their weekend away for a good purpose, and thanks to their efforts, they were able to give to those in need.

The money will pay for a school-based kids' health program in Gadsden county.

The money was raised by Dance Marathon in February, where students danced in a weekend-long marathon to raise money for the Children's Miracle Network.

Other projects funded by the marathon include pediatric equipment for Tallahassee Memorial Hospital and research funding to fight childhood obesity.
