College of Medicine
Family Medicine Residency Program at
BayCare Health System (Winter Haven)

Ashley Wilk, DO

Core Faculty

Bio

Hometown	Sterling Heights, MI
Residency	Henry Ford Macomb Hospital
Medical School	Michigan State University College of Osteopathic Medicine

Personal Note

The Florida sunshine has been a beautiful environment to practice in. I love the fact that I have traded the famous snow statues at my undergraduate alma mater of Michigan Tech University for the sand sculptures on the sparkling beaches of the Gulf of Mexico.

I was drawn to osteopathic medicine as I am passionate about treating the whole person rather than individual medical conditions. As such, I attended medical school at the Michigan State University College of Osteopathic Medicine and then completed my Family Medicine Residency at Henry Ford Macomb Hospital in Clinton Township, MI. In my spare time, I take joy in being active, especially with Jazzercise and vacationing. Being from Michigan, I enjoy cheering on the Detroit Red Wings with my husband and our adorable golden retriever. I am greatly looking forward to being a part of the Family Medicine Residency in Winter Haven and am honored to be a founding core faculty member.
