

ALUMNI SPOTLIGHT

BRIAN COGBURN, M.D, MPH
CLASS OF 2012
Internal Medicine

Dr. Cogburn is the medical director and a primary care physician with One Medical in San Francisco. He is also the clinical director for CityTestSF, a COVID-19 testing operation created to protect frontline and essential workers and the communities they serve. Cogburn completed internal medicine and preventive medicine residencies at Kaiser Permanente and UCSF Medical Center, respectively. He also earned a Master of Public Health from UC Berkeley. His passion for preventive medicine and global health includes clinical experiences in both Haiti and Kenya.
