

ALFRED C. GITU, M.D.

BIO

Home Town	Nairobi, Kenya
Medical School	University of Nairobi School of Medicine
Residency	Self Regional Healthcare, Greenwood, SC
Title	Program Director

PERSONAL NOTE

My wife Rebecca and I grew up in Kenya and have enjoyed the most fulfilling and exciting journey during over 24 years of marriage. We are blessed with two (now adult!) daughters, Sheena and Shalom.

I deeply enjoy reading, travelling with my family, and running. My daily personal mission is to become a better version of myself in my faith, my work and as a husband and father.

I have served as family medicine faculty since 2006, and been with our program since its inception in 2012. We have an excellent team of faculty, residents and clinic staff who serve our patients with dedication. It is my honor to serve and to achieve our mission of developing world class family physicians.
