EDUCATION

## Emergency Medicine Residency at Sarasota Memorial Health System

### Habitat for Humanity

The program's Wellness Director **Dr. Steve Kamm**, co-director medical simulation, arranged a Habitat for Humanity build on Saturday, Oct. 26. Participants had a great time and gave back to the community that supports the residency. The team laid flooring and primed and painted doors and floorboards. They look forward to an ongoing partnership with Habitat for Humanity and plan to make it an annual event.

Residents - **Drs. Melanie Worley, Alexander Sterling, Geoffrey Wade, Joshua Lehman, Kevin Raymond** and **Darrell Ray, Mary Roberts; Dr. Kamm** and Associate Program Director **Dr. Sarah Temple**

## Dermatology Residency at Dermatology Associates of Tallahassee

### Out in Fort Worth, Texas

PGY-4 Co-Chief Resident **Dr. Samantha Marrone** completed an away rotation with **Dr. Molly Warthan**, prior Mohs fellow with Dermatology Associates of Tallahassee. Previously, they worked together at DAT while Dr. Warthan was a fellow and Dr. Marrone was a dermatology research and practice scholar.

### Presentation for IM Residents

PGY-3 Resident **Dr. Alex Davis** went to Tallahassee Memorial HealthCare to teach a didactic session for the internal medicine residents on disorders of pigmentation. Thank you, Dr. Davis.

### Voted Best Dermatology Practice

For 21 years, the annual Best of Tallahassee event has celebrated the best of the best as voted on by Tallahassee Magazine's readers. Dermatology Associates of Tallahassee recently received the 2019 award during the reception held at the University Center Club.

***PGY-3 Resident Dr. Marrone received the award on behalf of the practice.***

## Internal Medicine Residency at Tallahassee Memorial HealthCare

## Telemedicine Initiative

Program Director **Dr. Claudia Kroker-Bode**, Faculty **Dr. Ingrid Jones-Ince**, and **Lauren Faison-Clark**, service line administrator at TMH, presented a workshop on telemedicine at the fall Association of Program Directors in Internal Medicine Conference in Denver. The meeting is workshop-intensive providing the keys for professional growth and helping faculty and staff at any level to become better administrators, faculty, teachers, mentors, and employees.

## Gold Star

Resident **Dr. Juan Dorado** recently presented his project *High Value Care for Trans Patients in an Internal Medicine Residency Clinic: Can it be Done?*, completed with **Drs. Alma Fe Houghton, Sangeeta Nair-Collins, and Jonathan Appelbaum**, at the 2019 Gold Humanism Summit in Orlando. Gold Foundation's desire is to shift the focus of healthcare to one that is truly relationship-centered, keeping the human at its heart.

## Family Medicine Residency at Lee Health in Fort Myers

## Healthy Eating

The Residency Wellbeing Council, **Drs. Rose Anne Illes, Jennifer Dalrymple, James Breen, Hannah Schrubbe and Tatianna Pizzutto**, organized an outstanding event for residents and faculty on healthy nutrition. It was hosted by the Health Life Center staff at the Lee Health Coconut Point campus. All enjoyed a delicious whole food, plant-based lunch, a lecture and an interactive cooking demonstration.

## New Addition

Congratulations to Resident **Dr. Jerry Lanza** and his wife Sara on the birth of their son Jayden Josiah Lanza, born at 1:00 p.m. on Oct. 8, and weighing in at 7.7 pounds.

## General Surgery Residency at Tallahassee Memorial HealthCare

### Grand Rounds Activity

Program Director Dr. Wade Douglas (right in photo) presented Retroperitoneal Sarcomas to residents, medical students, faculty and applicants at Morehouse College of Medicine on Oct. 8.

### Accepted for Fellowship

Congratulations to PGY-5 Resident **Dr. Emanuela Alvarenga** for being selected to participate in a colorectal surgery fellowship at the Cleveland Clinic. Opportunities will include patient evaluation and management, critical decision making, operative skills, clinical research, residency and hospital administration, medical student teaching, and a structured teaching program and conferences.

## Family Medicine Residency at BayCare (Winter Haven)

### Family & Team Bonding

The program had a small get together on a recent Saturday with families. They joined in stuffing FSU gift bags together, played games, and then went to a local fall festival.

**Dr. Ashley Wilk**, faculty, stuffing resident recruitment bags with the program director / coordinator's children.

Program Director **Dr. Nate Falk** and Faculty **Scott Garland**, PharmD, playing spoons with the kids.

Special congratulations to the family medicine residency program for receiving initial accreditation from the Accreditation Council for Graduate Medical Education in Oct. 2019. The program is actively recruiting to match residents for the 2020 academic year.
