Family Medicine Residency at Lee Health in Fort Myers

A Community Presentation

Faculty **Dr. Rose Anne Illes** and **Dr. Alyson Sanchious** (2017 residency alumni) gave an excellent presentation on the diagnosis and treatment of depression in the primary care office at the Fort Myers Hilton Garden Inn to community providers. Thank you for offering such an outstanding, educational experience.

Advocate for Family Medicine

PGY-3 Resident **Dr. Kristen Dimas** (with Associate Program Director **Dr. Christi Cavanagh**) brought major star power to Capitol Hill recently. All of the congressmen (women) and staff they met wanted to hear Kristen's story and help support family medicine training. Dr. Dimas is a powerful voice for her patients and the family medicine specialty.

Gitu's Host Medical Students

Program Director Dr. Alfred Gitu and his wife, Rebecca, had the pleasure of hosting a delightful group of **first-year medical students** from the FSU College of Medicine at their home recently. The students were completing their Summer Clinical Practicum in Collier and Lee Counties.

Internal Medicine Residency at Sarasota Memorial Health Care System

Team Building Activity

Residents recently enjoyed an event focusing on trust and cultural awareness held at the John and Mable Ringling Museum in Sarasota. The museum was established in 1927; FSU assumed governance of it in 2000.

Family Medicine Residency at BayCare (Winter Haven)

Clinic Construction

The family medicine clinic area is nearing completion and should be ready for occupancy in the upcoming week(s).

Psychology Postdoctoral Fellowship at Lee Health & Immokalee

Furthering Education

Congratulations to Program Manager (coordinator) **Ashley Butler, MPA** for successful completion of her Master's in Program Administration from the Florida Gulf Coast University.

S.M.A.R.T. Goals

Happy New Year! No really! July 1 marks a new year for us. This is a time for us to reflect on what we have accomplished and establish new goals! This can be overwhelming, but a little bit of planning can help lead you on the right path to improve your overall quality of life. As residents, we have very busy schedules - filled with responsibilities both in and out of the workplace. We are aware of the importance of maintaining a healthy work-life balance. There is a movement in place geared towards setting and achieving goals. It is called S.M.A.R.T. goals ... Click [HERE](#) to read more --PGY-3 Resident **Dr. Samantha Marrone**, Dermatology
