

AMY SKIFF, PHARM.D.

BIO

Home Town	Douglasville, GA
College	Georgia Southern University, Statesboro, GA
Pharmacy School	Mercer University Southern School of Pharmacy, Atlanta, GA
Title	Faculty Pharmacist

PERSONAL NOTE

Although I was born and raised in a suburb outside Atlanta, I have always been drawn to the ocean. The ebb and flow of the waves is a welcome reprieve from the hustle and bustle of everyday life. My husband and I made SW Florida our home in 2009 and I joined the Family Medicine Residency Program at Lee Health exclusively in 2017 (after 3 years of dividing my time between the Lee Health Pharmacy Department and the Residency Program). Being part of such a world-class program has been an awesome privilege, not only providing me with inpatient, outpatient, and teaching opportunities, but also the honor of working with a fantastic group of co-workers!

My husband, Greg, and our 2 daughters, enjoy spending our free time on the boat and frequenting the fantastic beachside resorts in the area.
