

ALUMNI SPOTLIGHT

BRIAN GADBOIS, M.D.
CLASS OF 2010
Psychiatry

Dr. Gadbois is a psychiatrist at the James A. Haley VA Hospital Addiction Clinic and member of the clinical staff at BoardPrep Recovery, an addiction and dual-disorder treatment center in Tampa. As one of the few U.S. physicians board-certified in psychiatry and addiction medicine, Dr. Gadbois specializes in treating PTSD, opioid abuse and substance use disorders. He also serves as an assistant professor at the University of South Florida, where he teaches medical students, psychiatry residents and addiction psychiatry fellows. A consistent advocate for MOUD (Medication for Opioid Use Disorder) accessibility, he implemented two new programs in Pinellas County, which provide access to low-income, indigent and institutionalized patients.
