Above and Beyond

The Above and Beyond Awards provide a way to recognize any faculty, resident or staff member making a difference in our residency program! Please remember to recognize our colleagues who go above and beyond in caring for our patients and improving our team. The following are this week's recipients of the award:

- Congratulations to Drs. Shayna Smallwood and Christine Norton, who were elected by their peers this past week to serve as our co-chief residents for the upcoming academic year.

  Christine Norton, M.D

  Shayna Smallwood, M.D.

- Jennifer Zimmerman, MA was recognized for this week creating a comprehensive online resource for all of our clinic staff to use when providers need to enter Durable Medical Equipment orders. Jennifer has also worked tirelessly to maintain a database of all the PAF forms required for our Accountable Care Organization’s patients with suspect high risk conditions.
Residents and faculty, please remember to register with the Family Practice Inquiries Network (FPIN) in preparation for our Help Desk Answers medical writing workshop. If you have not already done so, please click on the following link to register.

Please remember to sign up to cook some meals for new parents Amanda and DJ Danley. You may also send take out/delivery meals. In order to coordinate our efforts, please click on the following link to sign up.

Second and third year residents are reminded to log all their past and future nursing home encounters in New Innovations.

Lessons from our Childhood

Be who you are
And say what you feel
Because those who mind don’t matter
And those who matter don’t mind.

Dr. Seuss
