B.S. Degree in **Interdisciplinary Medical Sciences (IMS)**

Plan of Action Guidelines for Experiential Learning Holds

The below chart indicates how many Experiential Learning hours you should currently have concurrent with your Map Term:

Your Current Map Term	You should have completed this many hours by the end of Summer 2017
3	64 hours- Mapping Milestone for Term 2
4	96 hours- Mapping Milestone for Term 3
5	128 hours- Mapping Milestone for Term 4
6	160 hours- Mapping Milestone for Term 5
7	196 hours- Mapping Milestone for Term 6

Please follow the below instructions to have the hold removed:

1. Complete the Plan of Action Form indicating how you plan to make-up these hours. You must complete a minimum 64 hours by the end of the Fall 2017 semester, or you will receive a must change major hold after grades post.
2. Submit the form to imsadvising@med.fsu.edu.
3. If you have Experiential Learning hours that need to be entered into the database, enter them into the database and indicate on the Plan of Action Form that you are submitting the hours for review. **Remember that going forward, hours will not be approved retroactively.** An Experiential Learning form must be entered in advance of every activity you wish to count toward your Experiential Learning requirements by the appropriate deadline.
