OUR
FACULTY

Ken Brummel-Smith, MD

Meet our FSU SeniorHealth physicians: Dr. Ken Brummel-Smith, *Charlotte Edwards Maguire, M.D., Chair and Professor in the FSU College of Medicine's Department of Geriatrics;* and, Dr. Lisa Granville, *Associate Chair and Professor of Geriatrics.* Their goal is to make FSU SeniorHealth a partner with the patient and primary care physician in optimizing the patient's health and wellness.

Lisa Granville,
MD

OUR
SERVICES

Drs. Brummel-Smith and Granville serve as co-primary care physicians who provide health assessment and management for older adult patients. Among their responsibilities are:

- Conducting initial and periodic comprehensive evaluations;
- Developing an integrated care plan;
- Discussing advance care planning;
- Recognizing, investigating and treating geriatric syndromes;
- Utilizing preventive care interventions;
- Improving adherence to lifestyle changes;
- Improving patient self-management skills; and
- Maintaining open lines of communication.

FSU SeniorHealth, operated at the Westminster Oaks Health Resource Center, is open two half-days per week. For additional information, please phone (850) 878-1136.
