

ECM 3-4 Interprofessional Teamwork 10/9-10/11, 2007
Panel Speaker Prep Session

Module Objectives:

- 1) To raise awareness among medical students about the importance of teamwork in health care.
- 2) To increase knowledge in the essentials of teamwork.

PLENARY

When: October 9th and October 11th, 2007

Where: Room 106 CMW

Time: 1:30pm-2:05pm

Objectives:

- 1) Reinforce the principles of teamwork
- 2) Increase awareness of medical students of the contributions of the other health science disciplines to the team
- 3) Provide a real world experience view regarding the challenges and opportunities of working on a health care team.

Plenary/Panel Timeline:

Teamwork introduction (moderator) 1:35-1:40

Faculty representatives (nursing) 1:40-1:45

Faculty representative (physical therapy) 1:45-1:50

Faculty representative (pharmacy) 1:50-1:55

Questions and Answers (moderator facilitated) 1:55-2:00

Wrap-up with Directions for Learning Stations (moderator) 2:00-2:05

Each panel speaker will have 5 minutes to discuss a personal experience as part of an interdisciplinary/interprofessional patient care team. Each panel speaker should describe challenges and opportunities presented by working within a team.
