Curtains for a Cause

Tallahassee Memorial HealthCare Foundation PRESENTS

FORBIDDEN BROADWAY’S GREATEST HITS

The 2014 “Curtains” production is the award-winning, highly-acclaimed musical revue, “Forbidden Broadway’s Greatest Hits.” Written by Gerard Alessandrini, this four-time winner of the Drama Desk Award is a zany and satirical tribute to some of Broadway’s biggest hits and spotlights Broadway shows and stars such as Carol Channing, Chita Rivera, Barbara Streisand and Mandy Pantinkin in ways you have never seen them before. From “Wicked” to “Les Miserables” these spoofs will leave you laughing all night long.

FEBRUARY 14, 2014
UNIVERSITY CENTER CLUB
$100/TICKET

To Order Tickets or Make A Donation, Contact: Mark A. Marple (850) 431-4080 or go to www.CurtainsForACause.com

(Ticket price reflects a $50 charitable contribution, $50 for the meal including gratuity, champagne toast, a rose for each lady and the show.)

Curtains for a Cause is a TMH Foundation event that benefits the Brian Jackson Dystonia Research and Discovery Program at the Florida State University College of Medicine.
You’re Invited to a Valentine’s Day Dinner
Theater Event at the University Center Club!!!

Dear Friends & Supporters of the FSU College of Medicine and the Tallahassee Memorial HealthCare Foundation,

What better gift to give this Holiday Season than tickets to our Valentine’s Day event! Cover both holidays by giving a gourmet dinner, a wonderful musical comedy, help a worthy cause plus claim a 50% income tax charitable deduction in 2013! Please join us at the University Center Club for an elegant sit down dinner and the award-winning, highly acclaimed musical revue:

“Forbidden Broadway’s Greatest Hits”

Gather your loved ones and friends for an evening that’s sure to please everyone! Friday, February 14, 2014 - doors open at 6:00 pm for cocktails, 7:00 p.m. dinner, 7:30 p.m. presentations and 8:00 p.m. show.

Seating is limited so please get your tickets by either calling Mark Marple at 850-431-4080 or visiting www.curtainsforacause.com.

This Event honors Brian Jackson

At age 16, Brian, youngest son of Erwin & Stefanie Jackson, was diagnosed with Dystonia, a neurological movement disorder that causes muscles to contract and twist involuntarily. This once-active Tallahassee teen found himself needing a wheelchair. In 2006, Brian underwent a surgical procedure known as Deep Brian Stimulation or DBS. Within months of DBS, Brian’s doctors estimated that 90% of his disability had been eliminated but Brian won’t be content until a cure is found – your participation in this event truly helps!

Keeping the Funds Local

The goal of the Jackson family, together with the FSU College of Medicine and Tallahassee Memorial HealthCare Foundation, is to find a cure for Dystonia and related diseases, such as Parkinson’s. Therefore, the net proceeds from this event are designated for the Brian Jackson Dystonia Research and Discovery Program at the Florida State University College of Medicine.
