COLLEGE OF MEDICINE, FLORIDA STATE UNIVERSITY

B.S. Degree in Interdisciplinary Medical Sciences (IMS)

Community Patient Care Major Course Requirements

The Florida State University College of Medicine’s goal is to educate and develop exemplary physicians who practice patient-centered health care, discover and advance knowledge, and are responsive to community needs, especially through service to elder, rural, minority, and underserved populations. The IMS Degree program expands and develops the solid science foundation needed to apply to medical school, dental school, physician assistant programs, and a number of other healthcare professions that require post baccalaureate training.

This Community Patient Care major prepares students to work in a variety of venues from health clinics to nonprofit respite providers.

This major enhances the College mission by providing students the opportunity to focus in one of five different areas; Child Welfare Practice, Developmental Disabilities, Gerontology/Aging Studies, Medical Spanish Interpreter, Patient Health Navigation/Advocacy.

Students choose a sequence:

CHM 2210 and
CHM 2211/L and
BCH 4053

OR

CHM 3217/L and
CHM 3218

Students choose one sequence:

CHM 2210 and
OR

CHM 3217/L and
CHM 3218

Students choose a sequence:

CHM 2211/L and
BCH 4053

OR

CHM 3217/L and
CHM 3218

Students choose a sequence:

CHM 2210 and
OR

CHM 3217/L and
CHM 3218

Students choose a sequence:

CHM 2211/L and
BCH 4053

OR

CHM 3217/L and
CHM 3218

Total credit hours: 86-91

1. Course grades must be ≥ C-
2. Total credit hours vary upon organic and seminar sequence
3. CHM 2121 seminar may be substituted with an approved course, see advisor for details

*Students are responsible for knowing the requirements of the professional schools where they plan to apply. Other courses may be required for specific programs*
Focus Elective Options: Choose one area to complete

**Medical Spanish Interpreter**
